

DISTRICT PUBLICATIONS
T.B.D. PARENTAL AGREEMENT – WEB AND MEDIA RELEASE FORM

We are sending you this parental consent form to both inform you and to request permission to use your child's photo/name for typical school related information for newspaper articles, district programs, newsletters, our district calendar, our web site, and individual school events.

As you are aware, there are potential dangers associated with the posting of pictures and names on a web site since global access to the Internet does not allow us to control who may access such information. These dangers have always existed; however, we as schools do want to celebrate your child and his/her work. The law requires that we ask for your permission to use information about your child.

The purpose of this form is to secure your consent, or lack of consent, to include your child's photo for the various media releases associated with school activities. **Personal identifiers other than first name will never be included.**

We will keep this release on file for the duration of your child's attendance during this school year. If you decide to change your consent this school year you must notify the school in writing of your request.

Each school will record and keep on file all responses to make sure we follow your decision when considering any release to the media or posting on the web site.

Please complete the form below and return to your child's school.
