

ASSIGNMENT; TRANSFER

The Superintendent shall make certificated staff assignments in the manner best calculated, in his/her judgment, to enhance the educational program.

If such assignment includes transfer, the Superintendent shall recommend the transfer for approval by the Board of Education. The Board shall approve an assignment that requires a teaching staff member's transfer to a different building, to a different seniority employment category, to a different tenure position, or to a non-tenurable position by a roll call majority vote of the full membership of the Board. Procedures for such transfers shall comply with provisions of current negotiated agreements and state and federal law. Disciplinary transfers are prohibited. Particular attention shall be paid to ensuring to the extent possible that there shall be equivalence of teachers and administrative staff among the schools. Discrimination in assignment, transfer and promotion shall not be tolerated (see 2224, 4111 and 4111.1).
